

**New Update**

**PHILIPS® CRYPTO TP10, TP14, TP16**

The new software **version 2.07** enables the copying of the following Transponders:

**PHILIPS® CRYPTO TP10, TP14 and TP16 onto TPH1**

You may download it through our website :  
[www.jma.es](http://www.jma.es)

**Free of Charge**
